Complete Research Proposal

Name project:

Name applicant:

Date completed:

Name main responsible for AI part of project:

Name main responsible for clinical part of project:

Attention!
If applicable: please add the requested additional information as stated in the e-mail you received regarding the approval of your preliminary proposal.

1. PROJECT DETAILS

Name Research Proposal * *(max. words: 20)*

Have you previously submitted this or a similar proposal with the Hanarth Fonds? *

Kindly note that you are only allowed to submit the same proposal twice.

When *

Briefly describe the adjustments/improvements compared to this previous application * *(max. words: 115)*

Type of research *

Is your application also submitted with another institute and if yes, please insert name of institute? *

Please insert the name of that institute. *

Please include at least two external references (both in the area of oncology as Artificial Intelligence (AI), outside your own research institute). *

Does your project concerns a rare cancer? *

Specify why your project concerns a rare cancer. Preferably use the classification stated on: https://iknl.nl/kankersoorten/zeldzame-kanker**. *** *(max. words: 115)*

Please explain the societal impact of the project? * *(max. words: 115)*

Name main responsible for AI part of project *

Name main responsible for clinical part of project *

2. APPLICANT

Initials *

First name *

Prefix

Last name *

Expertise *

Other/more

Institute *

Do you have a permanent appointment at this institute for the duration of the research project? *

Department *

City *

Country *

(mobile) Telephone number *

Email address *

3. SUMMARY OF THE PROPOSAL

Please describe the changes in comparison with the preliminary proposal * *(max. words: 115)*

Background * *(max. words: 150)*

Research (preliminary data) * *(max. words: 115)*

Use of AI with a clear description what AI you will use and how * *(max. words: 115)*

Relevance for cancer research * *(max. words: 115)*

Relevance to the patient * *(max. words: 115)*

Please confirm that the (majority) of the data is available and describe how the data is available to you * *(max. words: 115)*

4. PROJECT DESCRIPTION

Aim of the study * *(max. words: 1000)*

General *(max. words: 400)*

Plan of Investigation

a. Data (how much data is available and how is access to it organized) * *(max. words: 200)*

b. Statistical analysis (include number of events and power calculation) * *(max. words: 250)*

c. Detailed description of the AI approach including why AI will work for the project goals you're aiming to achieve * *(max. words: 200)*

Time frame *

References *
max. 20

5. PROJECT EMBEDDING

Already engaged personnel *
Name, Classification, Degree / Training / Charges are for / FTE

Requested personnel *
Name, Classification, Degree / Training / Charges are for / FTE / Period

Motivate requested personnel *

6. BUDGET SPECIFICATION

Financial support requested is requested for # years

		Year #1	Year #2	Year #3	Year #4
Applicant		€	€	€	€
Personnel		FTE: €	FTE: €	FTE: €	FTE: €
Overhead costs		€	€	€	€
Material/Resources		€	€	€	€
Open access publications		€	€	€	€
Conferences/meetings, including travel expences		€	€	€	€
Other		€	€	€	€
TOTAL / Year		€	€	€	€
TOTAL REQUESTED PROJECT BUDGET		**€**			

7. BIOSKETCH OF INVESTIGATOR

Applicant

Title(s) / name *

Year of PhD (if applicable), supervisors / promotor, title of dissertation *

Current position *
Institute, location / Department

Professional experience *

International activities *

Honors and awards *

Previous granted relevant projects * *(max. words: 115)*

Selected publications *

8. DOCUMENTS

This form must be submitted with a comprehensive curriculum vitae

Curriculum vitae *

This form can be submitted with some extra files (optional)

File #1

File #2
